School Number 840 3087

October 2016

Dear Parent/Carer

**Re: Play In A Day**

I am writing to let you know that Yr 5&6 will be taking part in A Play In a Day on Wednesday 19<sup>th</sup> October 2016. The theme is 'Happy Birthday Grandpa' which links to our current topic of 'The Decades' as the play begins in the 1940's. The children will work with Lisa all day developing and rehearsing their play.

Parents are then invited to attend at 2.45pm to watch the play in the hall. The plays are always outstanding and the children have fantastic fun creating them whilst learning a huge range of skills.

In the past Play In A Day has been funded by school, however, due to financial pressures on our budget we are forced to make the decision of whether to stop holding Play In A Day or whether to ask for a contribution from parents. I know from feedback how much parents value this event and am therefore requesting a contribution of £4.00 per child. This will pay for half of the costs and I will be seeking the remaining funding from the PTA.

If you have any queries please do not hesitate to contact me.

Yours sincerely

Mr S Myers  
Headteacher
