Re: Collective Worship and Assemblies

Further to my recent letter regarding remote delivery of collective worship and assemblies, please find the timetable of activities linked to this area of the curriculum.

The resources identified will take you to 'scripts' or ideas for assemblies on websites which teachers in school use on a regular basis. Children will need to have an adult with them to work through some of the issues and learning points as the resources are for adults and will not be accessible immediately for children.

The Bible story on a Wednesday will be via a video which children can access independently, however, there are also questions or discussion points which parents may choose to explore with their children.

Teachers will not be marking or commenting on work linked to this area and children are not required to submit evidence of participation in either collective worship or assemblies. They will be required to participate in RE lessons as normal.

If you have any queries or concerns please do not hesitate to contact me.

Yours sincerely

Mrs D Cross
