Dear Parent/Carer

**Re: Successful Grant funding for London Trip**

I am delighted to confirm that we have been successful in securing a grant from the Weardale Area Action Partnership for £1,500 towards the cost of transport to London.

This is amazing news and I would like to take this opportunity to thank the WAAP for their support in helping us to make sure our trips are accessible for all.

The £1,500 will be divided equally between the 34 children going on the trip which will in effect mean a reduction in price from £197 to £153. This represents a saving of £44 per child place.

The grant has the following impact on the payment options:

Option One: Payment in full (£153) by Tuesday 7<sup>th</sup> June 2022 – you can pay in full at any time up to this date.

Option Two:

| Date of Payment              | If you have already paid £66 | If you have already paid £132 | If you have not paid anything yet |
|------------------------------|------------------------------|-------------------------------|-----------------------------------|
| Tuesday 3 <sup>rd</sup> May  | 0                            | 0                             |                                   |
| Tuesday 7 <sup>th</sup> June | £47                          | £21                           | £113                              |
| Tuesday 5 <sup>th</sup> July | £40                          | 0                             | £40                               |
| TOTAL                        | £153                         | £153                          | £153                              |

All payments should be made via Parent Pay.
