

Autumn Term Plan – Ruby Learning Zone

English

- Looking at the different forms of recount including diaries and newspaper reports. Develop our skills in writing from different character's points of view.
- Identify the structure of a story and write our own.
- Improve our vocabulary by adding detail and description to our writing and improving the work of others.
- We will read 'George's Marvellous Medicine' by Roald Dahl as our class guided reading book.

Art & Design

Our artist focus this term is Giuseppe Arcimboldo. We will learn about his artwork and life and create our own artworks in his style.

Computing

We will learn how the internet works and how computers are linked together to allow modern communication,

Mathematics

Year 3

- Addition of 3 numbers.
- Numbers to 1,000
- Right Angles
- 2,4 and 8 times tables
- Column addition and subtraction

Year 4

- Column addition and subtraction
- Numbers to 10,000
- 3, 6 and 9 times tables.
- Perimeter

Design & Technology

Our task for the autumn term will be to strengthen a cardboard shell. How can we create a packaging that is strong and protects its contents?

Geography

- What are the different climate zones?
- Children will compare and contrast different countries and cities which have different climates.

Modern Languages

- We will study French phonics to see how they pronounce things differently.
- We will be able to talk about learning French and use the French alphabet.

Music

- We will look at the social aspects of music and how it is used to bring people together.
- Children will learn some musical notation.

Science

Year 3:

- Animals including humans
- Rocks

Year 4:

- Animals including humans
- Sound

History

Were the Vikings really vicious?

- We'll learn about the timeline of Viking invasions and how their actions impacted on our country.
- We'll look at different sources to see how we know about the Vikings and if they are all fair accounts

Physical

- Games-Football. Working with a sports coach to improve our ball control, passing and teamwork skills.
- Gymnastics: Learn to use our strength and balance to form bridge shapes individually and in groups

Education

Religious Education

Creation/Fall

We'll have discussions about what Christians believe about the Creation story and how it affects how they live their lives.
